Hashim

Computer Science Student at *University of Gujrat*

Future Software Engineer

Introduction

Hello! My name is Hashim. I am a passionate and hardworking **Computer Science** student. I love solving problems using programming and building real-world applications.
Programming requires *logic* and **practice**.
I started learning programming in 2023 but before that I wanted to become an ~~Electrical Engineer~~.

Water formula is H_2O and math example 10^2=100.

Famous quote: “Code is like humor. When you have to explain it, it’s bad.”
I am studying AI and ML.
This website is created for HTML practice.

> *"Technology is best when it brings people together." - Matt Mullenweg*

Quick Info

Location: Pakistan
Status: Undergraduate Student
Punjab, Pakistan

Educational History

Academic Record

Degree	Institute	Year	Grade
BS Computer Science	University of Gujrat	2023 - Present	Ongoing
FSc Pre-Engineering	Your College Name	2021 - 2023	A
Matric	Your School Name	2019 - 2021	A+
Currently studying BS Computer Science			

Professional Skills

- C++ Programming
- HTML & CSS
- Python
- MySQL
- Problem Solving

Technology Description

HTML
Used to create structure of web pages.
CSS
Used to design and style websites.
Python
Programming language used in AI and data science.

▶ More Skills

Projects

Bank Management System
Developed using C++ with OOP concepts.

Student Result System
Designed using file handling to manage student records.

Portfolio Website
Created responsive portfolio using only HTML and CSS.

Hobbies

1. Coding
2. Reading Tech Articles
3. Playing Cricket
4. Watching Programming Tutorials

Life Ambition

My ambition is to become a skilled Software Engineer and contribute innovative solutions to the IT industry.

What I Want To Do For My Country

I want to strengthen Pakistan's IT sector by developing high-quality software and helping young students learn programming.
